Graduation Sponsor Levels

Sponsoring a Guiding Eyes graduation is a great way to honor someone or raise awareness of your company while furthering Guiding Eyes for the Blind’s work to pair exceptional guide dogs with people with vision loss.

There are three sponsorships available per graduation:

**Guide sponsor | $2,500**
Your Impact: By becoming a Guide sponsor, you cover the costs of the harnesses for the class. The harness is the integral connection between the handler and the guide dog. It is through the harness that the handler gets direction moving forward, turning and stopping. Includes:

- Sponsorship message (150 characters, approximately 20 words)
- Sponsorship message listed on website and on graduation slideshow
- Ability to say a few words to audience from podium (2 minutes)
- Reserved seating at graduation
- Lunch and tour for up to 6 guests
- Framed photo of graduating class
- Program and bios of graduating class

**Training Sponsorship | $1000**
Your Impact: By becoming a Training sponsor, you sponsor one week of training for one guide dog. During training, which lasts approximately six months, the Guiding Eyes instructor teaches the future guide dog skills such as leading, turning, and stopping at curbs, in preparation for being matched with a person who is blind or visually impaired. Includes:

- Sponsorship message (150 characters, approximately 20 words)
- Sponsorship message listed on website and on graduation slideshow
- Sponsorship announced from stage
- Reserved seating
- Lunch and tour for up to 4 guests
- Framed photo of graduating class
- Program and bios of graduating class

**Puppy Sponsorship | $500**
Your Impact: Your $500 sponsorship starts the next generation of guide dogs off on the right paw by providing nutrition for a litter of puppies for 10 weeks as they grow and learn about the world around them. Includes:

- Sponsorship message (150 characters, approximately 20 words)
- Sponsorship listed on website, slideshow, and announced at graduation.
- Lunch and tour for up to 2 guests
- Program and bios of graduating class

**Special Message | $250**
Up to 4 special messages available per graduation. Share a special message on our graduation slideshow and website while supporting the mission of Guiding Eyes. Includes:

- Special message (150 characters, approximately 20 words)
- Message listed on website and on graduation slideshow
- Program and bios of graduating class
Thank you for sponsoring a Guiding Eyes for the Blind graduation. Your support directly impacts our work to pair exceptional guide dogs with people who are blind or visually impaired.
