PARTNERSHIP OPPORTUNITIES

About Guiding Eyes for the Blind

Guiding Eyes for the Blind provides guide dogs to people with vision loss, at no cost to the recipients. Our dogs are known worldwide for their exceptional temperament and training. We are passionate about connecting these exceptional dogs with individuals to facilitate greater independence.

Unique to our guide dog school:

- ❖ A world-class Genetics and Breeding Program
- ❖ A Specialized Training Program for students with vision loss and additional challenges
- ❖ A Running Guides Program for students (and dogs!) who love to run
- ❖ A dedication to technological innovations that serve the visually-impaired

Why partner with Guiding Eyes?

Guiding Eyes has a wide reach, a compelling mission, and unique experiences to offer your company. Our brand resonates with people across multiple sectors, whether it be accessibility, health and wellness, animal care, or technological innovation. If your products and services align with our work, we have an opportunity to form a powerful partnership.

By collaborating with Guiding Eyes, you not only serve a greater good, you do good for your employees. We are your partners in diversity, inclusion, and disability awareness. Corporate partners have reported increased employee satisfaction and stress reduction after events featuring Guiding Eyes dogs and their expert handlers. There are many ways we can work together to meet your corporate social responsibility goals.
