

HOLLY HESS GROOS
Guiding Eyes for the Blind
Board of Directors

Holly Hess Groos has extensive experience as a key advisor and influencer on corporate and non-profit boards as well as a senior financial executive and a trusted business partner focused on growth, operational excellence, competitive advantage, and strong team culture.

A respected industry thought leader, Holly serves as a board and audit committee member for Digital Turbine; board member for Guiding Eyes for the Blind; and Treasurer, Executive Committee member, Finance Committee member, and Audit Committee member for the Council for Economic Education. Holly is currently an External Advisor for Bain & Company's Performance Improvement and Telecommunication practice delivering expertise in technology, media, and telecom (TMT).

Previously, Holly spent 30 years with Verizon, providing executive leadership across various businesses and operational and financial objectives, including serving as SVP of Business Excellence and Zero Based Budgeting, SVP & CFO of Verizon Media (AOL & Yahoo!), SVP & Head of Internal Audit, SVP & CFO of Verizon Wireless, SVP of Operational Excellence, SVP & Treasurer, SVP & CFO of Verizon Business, VP & CFO of Verizon Shared Services, and VP & CFO of the Northeast for Verizon Wireless.

Earlier in her career, Holly was a Senior Accountant for Deloitte & Touche, and Staff Accountant for PricewaterhouseCoopers.

She holds a bachelor's degree in Business Administration and Accounting from Miami University, is a Lean Six Sigma Blackbelt, and is a Certified Public Accountant in the State of Ohio.
