

# Guiding Eyes for the Blind 49th Annual Golf Classic

**June 14 and June 15, 2026  
Mount Kisco Country Club**

Every June, Guiding Eyes for the Blind hosts the Golf Classic, a two-day celebration at the Mount Kisco Country Club in Westchester, NY.

The event features golf, great food, a silent auction, and exciting prizes, all in support of Guiding Eyes' life-changing work.

**Day 1, Sunday June 14**, is the Pat W. Browne Jr. Memorial Tournament - this invitational is dedicated to Golfers who are blind or have low vision and their coaches. They play 18 holes on the beautiful course at the Club.

**Day 2, Monday June 15**, hosts all players for 18 holes, followed by a cocktail reception and program where a recent Guiding Eyes graduate shares their story of life with a guide dog.

**NY Giants football legend, ESPN host, and Guiding Eyes Board member Eli Manning will be out on the course on June 15th, interacting and taking photos with golfers.**

**Following the 18 holes, there's a cocktail hour and reception with Eli and the opportunity to learn more about Guiding Eyes.**
