Elizabeth Dunn

Guiding Eyes for the Blind
Board of Directors

Betsy Dunn retired in 2010 and found a new avocation as a puppy raiser for Guiding Eyes for the Blind (GEB). To date, she is raising her 12th pup, Sebastian, and loving every minute of it. Betsy lives in Chesterland, OH with her husband, Tim, her GEB releases, Skip and Herman, and their cat, Boo.

Betsy started her career in education, teaching high school and coaching. She did her Master's at Boston College and went on to work for ADP, Ernst & Young, Oracle and retired from Microsoft. Through the years she held positions in human resources training and development, information systems implementation, strategy, marketing, and sales.

Betsy's philanthropic work has extended beyond Cleveland East (CLE) GEB puppy raising to GEB marketing, promotions, and a 7-acre GEB only dog park on her property, scholarship work for the Gates Foundation and her own scholarship executed at her elementary school parish. Betsy also does therapy work with her GEB releases, Skip and Herman in local high schools.
